At our General Membership Meeting, candidates will be announced for all open positions. Anyone interested in running may announce their intent to run for an available position. Any candidate is welcome to introduce themselves and talk with the membership at that time. Following the GM meeting, an electronic ballot will be available for all current members to vote within seven days. When voting, you will need your membership card and **MUST USE THE ENTIRE MEMBERSHIP NUMBER! (E.g., 2022000. No hyphen, any letters that follow should also be included for accuracy.)** Single Membership may vote once, Family Memberships may vote twice, and Youth are ineligible to vote. Voting is open from October 16-31, 2022. Candidates will be elected based on the majority vote of all TSCHA members who cast their vote. If members have questions about candidates and their qualifications, please reach out to a board member.
