

CATTLE KING CUTTING | Deer Lodge, MT

May 6, 2023

This year, MCHA has invited us to join them and show for one day at this (new to us) venue! Their show extends from May 5-7 with us co-approving a one-day show together on Saturday, May 6th. Of course, you are welcome to show any day in their classes including Sunday!

Class order will begin with MCHA's fresh cattle classes and work through all of their classes, as well as those that will be combined with ours. MCHA events require a professional Videographer, so it makes sense to complete all of their classes prior to starting ours. Once our classes begin, we will complete the remainder of our schedule, including Cowhorse classes.

Entry fees and payouts will be as follows:

- MCHA/TSCHA combined classes pay MCHA rates and would receive MCHA payouts.
- TSCHA classes pay our rates and would receive our payouts.

Both MCHA & TSCHA have agreed to offer reciprocal free memberships to anyone who has not been a member with the other organization in the previous year.

PLEASE NOTE: Being an MCHA member also requires an NCHA membership. We have verified that if you have not been a member with NCHA in the past (3) three years, you qualify for a free membership with them as well.

You may complete your MCHA & NCHA memberships online at any time prior to the show or complete paper copies to provide the Show Secretary at the time of settlement.

Treasure State membership forms are available to print from our website or may be completed at the show to be provided at settlement. TSCHA members may provide the Show Secretary your Member ID cards (if possible) at settlement.

MCHA is planning a social get together the evening of May 6th so that all TSCHA & MCHA members can meet-and-mingle! We will probably start towards the end of the Treasure State classes while we are all there cheering on the riders!
