

Hoby Hogue

Board of Directors

Started Cutting in 1988 to Present.

I have extended experience in showing in NCHA as well as showing and serving as a board member at club cuttings in AZ, CA, OK, MT and WY.

Served on the Treasure State Board of Directors for the past year taking over for Joan when she assumed the role of Vice President in 2026.

I have good insight to the way other clubs operate the good and the not so good.

Thank you for your support.
