

Linda Hahn

Treasurer

I grew up in the Helena Valley and have been around horses my whole life. My path started with parades and 4-H showing, then O-Mok-See and barrel racing at rodeos. I spent many years competing in reining and also showed some reined cow horse. I have always wanted to learn cutting, and that is my goal now.

I am retired from the phone company and was Treasurer of the Montana Reining Horse Association for many years. Helping the nonprofit volunteer groups I belong to matters to me, and I hope I can add value to the club in that same spirit.
