

Welcome!

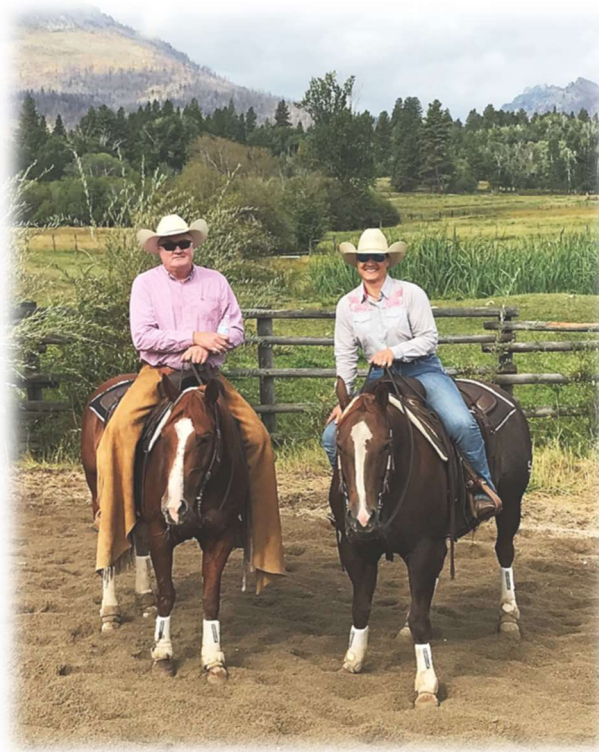

We are proud to promote the sport of Cutting and Cowhorse competition in a local, friendly atmosphere. We offer at least five shows every year with excellent ground, judging and the potential to earn quality year end awards! TSCHA classes offer every rider/horse level an opportunity to show and advance. Qualified trainers are readily available for advice and assistance in the show pen. We also promote good ethical behavior and treatment of animals.

Our History & Purpose

TSCC (DBA: TSCHA) began in 2014 with a group of dedicated cutters who wanted to show their horses in a local venue at a reasonable cost. Members new to the sport would have friendly coaches, compatible contestants, and shorter travel. To promote cutting horse events to those that may be comfortable here or desire to level up for competing in MCHA/CMRCHA events as well.

Get involved

TSCHA is a 501c(7) non-profit organization and therefore, our Board of Directors and Officers are volunteer positions. Your contribution makes a significant impact on how we can meet our Mission Statement in offering rewards and incentives to our members throughout the show year as well as year-end awards! It also helps to offset the cost of clinics, making entries more affordable to members.
