

TSCHA | Sponsor Form

Treasure State Cutting Horse Association (TSCHA) offers at least five shows each year. Please review our Sponsorship brochure to determine what level of sponsorship is ideal for you. We promote your business with announcements at all of our shows, on our website as well as our interactive Facebook page. With over 70 members in our state, your name and business also receive statewide advertising through member networking.

We value your contribution and hope to encourage your involvement in our organization. You are welcome to attend the awards banquet at the conclusion of this show year to present your sponsored class award(s) to the recipient(s). Winners are recognized through fourth place in 14 classes. Class champions receive quality belt buckles and other awards have been saddle pads, horse blankets, engraved stirrups, personalized chairs and gear bags.
